

Haiti Earthquake Response

Pray.

Pray fervently. Read and meditate upon Psalm 42.

- Pray that Haitian Christians will know hope and peace as they walk with the Prince of Peace in these difficult days.
- Pray that all Haitians will experience the love of God as churches and Christian missions serve them.
- Pray that God will give government and military leaders wisdom to bring mercy, order, and peace in Haiti.
- Pray for medical personnel to commit to go.
- Pray for financial support for those going to work in Haiti and for the financial resources needed to purchase medical supplies, food and water, and temporary shelter.
- Pray that Haitian Christians will be faithful to Christ in their suffering and that many others will become followers of Jesus Christ.

Give.

Give online through crosspointechurch.com/haiti. Select the link for Haiti Earthquake Relief. These funds go immediately to Baptist Global Response, a trusted partner. You may also send donations to Cross Pointe Church. Make them payable to Cross Pointe Church and write "Haiti Relief" on the memo line.

Go.

We are partnering with First Baptist Church of Woodstock, GA to send teams to Haiti through a national partner they already have in place on the island. Circumstances require that all participants be in good physical health and able to work, live, and sleep in harsh conditions.

- An **informational meeting will be held on Wednesday, January 20**, at 7:30 p.m. in the Collide Room (Administration Building, Room A400).
- The first team is limited to 25 participants; departs January 30 and returns February 4.
- Cost is \$1,200 per person.
- Subsequent trips will be available each week thereafter... Saturday through Thursday.
- Highest priority need is for doctors, nurses, dentists, EMTs and trained disaster relief personnel.
