

Parent-Child DEDICATION

We are very excited about your decision to participate in our next Parent ~ Child Dedication. At Cross Pointe we realize parenting can be one of the most rewarding and adventurous times in life as well as one of the most overwhelming times. It is our desire to help encourage and equip you to be Godly parents through that journey. By being a part of this dedication you are committing to do your best to model Christ in your home. You are saying you will raise your child in a way that leads him to God so ultimately they will understand their need for salvation.

The Parent ~ Child Dedication is one of the most anticipated events in the First Links preschool ministry. We love it, every part of it. We anticipate and look forward to the day we see all the precious families come together to make this public commitment. We want it to be a special day for you and your family.

In order for the day to go smoothly we need your help. Plan on attending a required parent meeting the Sunday prior to dedication at 9:45 am in a room to be determined, located on the 2nd floor of the administration building. During this time we will discuss the format for the evening and answer any additional questions

We also ask for you to read through the other attachments. You will see a checklist of things that need to be done prior to the dedication day.

We want you to celebrate and enjoy the day with your family and friends. Immediately following the service there will be a reception in your honor. The Pastor will visit with each family during this time. He will sign the certificate and be happy to pose for pictures with your family.

We look forward to meeting with you and joining your family in this time of commitment and celebration as you dedicate your family to God.

Thank you for partnering with us to be the *first link* to your child's spiritual understanding of God and His love for them –
